Under Section 31(1) of the Right of Children to Free and Compulsory Education (RTE) Act, 2009 Delhi Commission for Protection of Child Rights is empowered to monitor the implementation of the Right to Education Act in schools (Government, aided and unaided). Therefore, subsequent to the responsibility cast upon this Commission, the Commission is undertaking a comprehensive school evaluation exercise for all school (Directorate of Education, South Delhi Municipal Corporation, North Delhi Municipal Corporation, East Delhi Municipal Corporation and New Delhi Municipal Council) in Delhi called as School Development Index (SDI).

The School Development Index will assist your school and our government collectively in improving schools so that we can ensure quality education for our children. A necessary precursor to this is a detailed data collection for which a team of assessors is being sent to your school. The team of assessors will collect information about school through different methods. Therefore following schools are to be visited in the first week of February from **1st February to 8th February 2019**.

Note: The following list and dates are tentative and the actual dates may vary.
